

GRASSO VINEYARD Napa Valley

Grasso Vineyard, LLC is a small wine business that was formed in 2005. Grasso Vineyard has been a committed supporter of the local community in Napa Valley since its founding. Although we make a very limited quantity of wine, we proudly contribute to a variety of charitable organizations. We expect that all money raised will stay in our community. We also offer a generous price discount on wine for non-profit organizations in Napa and throughout California. To be considered for a charitable donation or our special non-profit pricing, please complete the form below. We ask that you fax or mail the form. We do not accept phone solicitations. The form submission will be reviewed promptly and we will contact you via email if we are able to accommodate your request.

DONATION REQUEST FORM
